RE: Docket No: T-03289A-02-0423
Revised Tariff Pages for LDMTS Rate Increase
Bell Atlantic Communications, Inc. d/b/a Verizon Long Distance

Tel: 407-740-8575
Fax: 407-740-0613
tmi@tminc.com

Dear Madam/Sir:

Pursuant to our conversation with Anthony Gatto of the Arizona staff, enclosed please find an original and ten (10) copies of revised tariff pages filed on behalf of Bell Atlantic Communications, Inc. d/b/a Verizon Long Distance. This filing increases the maximum rate to their Long Distance Message Telecommunications Service (LDMTS). The Company had originally requested an effective date of July 7, 2002.

Pages included in this filing are as follows:

First Revised Page 30.1
Fifth Revised Page 1

Revises LDMTS Maximum Rates
Revises LDMTS Current Rates

Prior to July 7, 2002, Original Page 30.1 did not indicate a maximum for LDMTS. When we filed the increase on June 6, 2002 we corrected the page to show a maximum rate. Commission has pulled this filing, indicating that our \$0.50 maximum gives Bell Atlantic Communications, Inc. the opportunity to increase LDMTS rates at any time. To avoid this scenario, we are resubmitting these tariff pages with the maximum rate equal to the current rates. The Revenue Impact submitted with the original filing indicates there are 421 Customers on this service with monthly revenue of less than \$700.00. This impact is de minimus.

We respectfully request this matter be handled as a priority - to be placed on the October 8, 2002 meeting date.

The Application for Increase of Maximum rate, Customer Notice and Revenue Impact have been submitted with the original and subsequent filings.

Any questions you may have regarding this issue may be directed to my attention at (407) 740-8575.

Please acknowledge receipt of this filing by date-stamping the extra copy of this cover letter and returning it to me in the self-addressed, stamped envelope provided for that purpose.

Thank you for your assistance.

Sincerely,

Connie Wightman
Consultant

SECTION 3 - DESCRIPTION OF SERVICE AND RATES, (Cont'd.)

3.5 Long Distance Message Telecommunications Service

3.5.1 General Description

Long Distance Message Telecommunications Service (LDMTS) is the basic long distance service offered to residential and business Customer for outbound direct-dialed calling, utilizing Customer-provided switched access lines that are presubscribed to the Company. LDMTS may also be offered for casual (i.e. access code) calling where such service is provided.

3.5.2 Rates and Charges

Calls are billed in one (1) minute increments after an initial minimum call duration of (1) one minute. Any partial minute is rounded up to a full minute.

A. Customer Dialed Direct Station-to-Station - Maximum

(T)

The Customer Dialed Direct Station-to-Station class of service applies when the person originating the call dials the telephone number desired without the assistance of an operator and the call is billed to the calling station. It does not include calls from public or semi-public coin telephones.
